

School Board of South Milwaukee

Resolution 15-4 Per Pupil Revenue Limit Adjustment of \$200

Whereas, the school board, administrators, teachers, staff, parents and community members of the School District of South Milwaukee are united in our effort to provide all children with the highest quality educational opportunities possible; and

Whereas, costs of providing a high quality education does cost more from one year to the next due to inflation and new initiatives; and

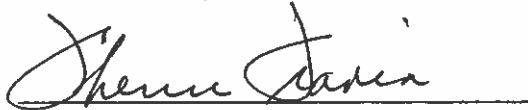

Whereas, the District under Act 10 implemented large cost shifts from Employer to Employee to balance budgets due to the unprecedented budget reductions to K-12 education in the 2011-13 biennial budget with minimal adjustments in the 2013-15 biennial budget; and

Whereas, Republican legislators are deliberately misleading the public with their claims of increasing school funding when in reality they are proposing a freeze for 2015-16 ; and

Therefore, Be It Further Resolved, that the South Milwaukee Board of Education calls on Gov. Walker, Joint Finance, Sen. Chris Larson and Rep. Jessie Rodriguez to provide a reasonable per pupil revenue limit adjustment of \$200 in each year of the biennium.
